RESPECT-RESPONSIBILITY-RESULTS

Rocky Creek Dam - Dorroughby Environmental Education Centre

Stage One Excursion

Dear Parent or Caregiver,

Next term Stage One students will be going on a day excursion to Rocky Creek Dam on **Wednesday 24th October 2018 (Term 4 Week 2)**. Travel to and from the venue will be by bus. This excursion has been planned to supplement work being done in the classroom during the year relating to the students study of the water cycle and the science topic of Dinosaurs.

The cost of the excursion is \$12.00 per student, which includes the cost of transport and the organised activities run by the Dorroughby Environmental Education Centre.

Students will be participating in activities discussing the importance of the dam to our water catchment, as well as the importance to the native wildlife and history of the area. This will include a platypus walk and mapping activities. On the day students will be able to wear casual clothes. Students will need to wear sensible, enclosed shoes with socks for walking in the bush, shorts and t-shirts with sleeves and a hat. (Singlet shirts or shirts without sleeves are not appropriate.)

Please return the permission note and payment to school no later than Wednesday 17th October 2018.

Late notes and payment will not be accepted under any circumstances.

A reminder will be placed in newsletter each week prior to Wednesday 17th October.
