

Teven-Tintenbar Public School

Term 1 Week 8 - Monday 18th March 2019

Small Schools Cross Country

The Small Schools Cross Country will be held at Teven-Tintenbar PS on Friday 29th March. As the track runs around the inside of the school perimeter, no cars can enter or leave the school grounds during the races. There is no parent parking allowed on site. You will need to park in the surrounding streets. Please don't block anyone's drive way and be mindful of the quality of the neighbours grass verge when parking. The road between the school and Fredericks Lane (near the pedestrian entrance) is a private road - please do not park there at all. Road rules need to be followed- don't park too close to a corner, don't block traffic, don't block driveways

There will be parents from five other schools who will also be looking for parking. If you are only coming to watch younger children, you might consider arriving at lunchtime as this is when other schools are leaving. Please note both sets of fixed

equipment are out of bounds for the duration of the carnival, including pre-schoolers, as there is no teacher supervision in this area.

Please note that dogs of any size are not allowed on any school sites.

There is a sausage sizzle and shop available for purchases.

Easter Raffle

Our Easter raffle and hat parade will be held on Friday 12th April. We will start the celebrations with the Hat Parade at 11.30 (new time) followed by the raffle and a picnic lunch. We are starting earlier this year as many families leave earlier for holidays, meaning some children have missed out on the festivities in the past. We hope you can join us.

Before and After School Care

The successful tender is The Rainbow Childrens Centre Inc from East Ballina. There are some management and organisational things to be completed. We hope to see the OOHHC start in term 3.

Expressions of interest to use the service will be asked for later in the process. We will provide details of how to do this in newsletters next term. To see how the program works and the philosophy of the centre, their website is <http://rainbow.nsw.edu.au/>

ICARE Assembly Term 1

Our Term 1 ICARE assembly will be held on Wednesday 27th March, starting at 9.30am. Medallions have now been ordered. If children earn their third award between now and the end of the term, they will be included in the Term 2 assembly. Our Educational Director, Peter Campbell, will be presenting this term's medallions.

Triple P Course

Triple P is an approach to parenting that emphasises the positive. It aims to equip parents with the skills and

confidence that may be needed to prevent problems before they arise and help children reach their full potential.

If you are interested in participating in a small group Triple P course (6 x 2 ½ hours and one telephone session) please contact The Family Centre on (07) 55248711. More information is available at www.thefamilycentre.org.au Child minding is available upon request.

Keep coughing kids home and see your GP.

Whooping cough (also called pertussis) began increasing across NSW towards the end of 2018, especially in children between the ages of 5 and 14 years. NSW Health anticipates that this increase will continue into 2019.

School-aged children who are infected with whooping cough usually experience a troubling cough that can persist for months, but they rarely get severe illness. However they can spread the infection to younger siblings and other more vulnerable people, who are at higher risk of severe disease. Whooping cough can be a life threatening infection in babies.

What can you do to prevent whooping cough?

1. Make sure vaccinations are up to date for all family members
2. Be alert for symptoms of whooping cough
3. Keep coughing kids home, to prevent them spreading the infection to others, and see your GP to get them tested for whooping cough

For more information on Whooping Cough and vaccination, visit the NSW Health Website <https://www.health.nsw.gov.au/Infectious/whoopingcough/Pages/default.aspx> You can also find out about other important infectious disease alerts by visiting the alerts page <https://www.health.nsw.gov.au/Infectious/alerts/Pages/default.aspx>

Year 7 2020 Expression of Interest Forms

These forms are now **OVERDUE**. Even if you intend to enrol your child in a non government school the forms still need to be returned to indicate this along with a copy of the offer from that school. If forms are not submitted by **tomorrow** students will be allocated to their locally zoned public school.

Cross Country Training

Cross country is on Friday the 29th March. We will begin training at school from this Wednesday. Children should wear sports uniform and mozzie repellent. Students can wear their sports uniform everyday leading up to and including the Cross Country carnival.

School Fundraising Cake Stall on Election Day

This Saturday, 23 March, is election day, and our school will be used as a polling booth location. We're going to kick off our school fundraising for the year by running a cake stall.

How can you help?

Please donate cakes, muffins, slices, biscuits etc: These can be dropped to the school on Friday before 3.30pm, or from 7.45am on the morning. Please list ingredients used, and if you can, pre-cut cakes so we can make a quick sale. Label your containers so we can get them back to you afterwards. All donations appreciated!

Come on down on the morning and help at the stall. We will be setting up from 7.45am and open for business from 8.30am until around 11.30am (or until sold out). Shifts will run from 7.45 – 9.30am, and then 9.30-11.30am. If you have a couple of hours free to help out, we would be very grateful!

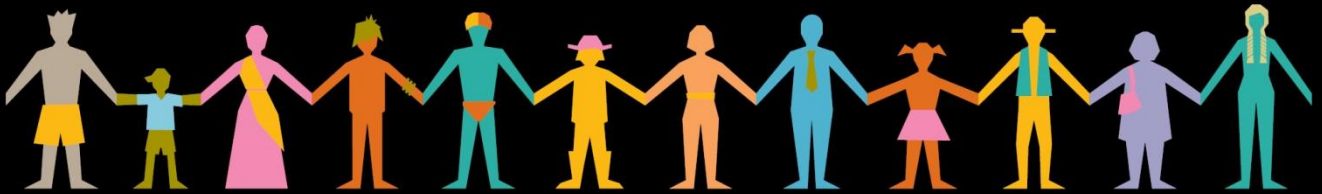

With enough offers of help, we may also run a BBQ. If you are in a position to help with this, please email me today.

Remember all sales = 100 per cent profit for our school. For more information or to register your interest, please phone Michelle on 0418 690717 or email: auroraoz@wwwires.com.
