

## Teven-Tintenbar Public School

Term 1 Week 10 - Monday 1st April 2019

### Last Day of Term 1

On Friday 12<sup>th</sup> April we will be having a Hat Parade and Mufti Day. Recess time has changed and will be at 10.50am. Children create hats at home and we have a parade where they can show off their creations commencing at 11:30am. If you have younger children please feel free to create something with them and they are welcome to parade with their siblings in the pre-school parade. Come along and join the audience for this great day of colour. Following the hat parade we will draw the lucky winners of our Easter Raffle.

The 1/2S & 1/2W classes will be going on an excursion into Ballina for a parade around Big W. If you or family members are around in the morning feel free to pop to Big W and watch this community parade.

### ANZAC Day

Our school will be participating in the ANZAC March in Ballina on Thursday 25th April. We will advertise on our Facebook page which teachers will be with the children during the march.

Children are to **meet staff at the Courthouse on the corner of River and Martin St, Ballina by 10.05am** in order to get organised into our position in the parade which starts at 10.10am.

Please ensure you have made contact with a staff member so we know we have care of your child for the parade only. Children need to wear full school uniform, including a clean school hat. Preferably, they would be wearing plain black shoes. As it tends to be hot, it would be a good idea for children to also carry a bottle of water. The parade will then walk down River Street to the RSL club.

**Parents are asked to collect their children from the teachers at the corner of River Street and Grant Street (roundabout at the club).** Please ensure you have let the teachers know you have taken your child. Children are to be collected as soon as possible once the school reaches the roundabout and BEFORE the ceremony starts. Children may attend the ceremony with their parents.

### ICARE Assembly

Thank you to our wonderful students who have deservedly won their ICARE medallions. They had the added privilege of being presented their medallions by Peter Campbell the DoE Director, Educational Leadership for our area. Well done.

## Holiday Security

Our school is very lucky in that we don't have high fences around it. This means the community can use the facilities in the holidays. It is important to remember, though, that **children should be accompanied by an adult** when on the site, including weekends. While it is tempting for our local children to come over to play, please come with them.

If you notice anything out of the ordinary over the holidays, you can call school security on 1300 88 00 21 and/or message the school facebook page.

## BCHS Targeted Sports Program

Applications have opened for the Football (Soccer) Targeted Sports program at Ballina Coast HS for talented Year 6 players. The application form is available online and should be completed as soon as possible. All forms and enquiries should be directed to BCHS. Keep an eye on their website and facebook page for trials for other sports.

## Stage 3 Canberra Excursion

Our excursion to Canberra is fast approaching! If you are paying the excursion off over time you should have paid half of the \$600 cost by the end of this term. Otherwise the full amount MUST be paid by Thursday 4th July (Week 10 Term 2). Families who are

experiencing difficulty with payment should contact Mrs Latta as soon as possible.

## Try Out Lessons—Music

This term some students have been trying out a band instrument (woodwind or brass). Notes about continuing in Term 2 have now gone home with these students (copies are available from the school office). These notes are for Parents and Students to read through together. If students wish to continue they need to have the continuation form back by Wednesday 3 April. Students not wishing to continue will need to hand their instrument at the end of this term.

Any questions please contact Fiona Clarke [kids\\_musik@yahoo.com.au](mailto:kids_musik@yahoo.com.au).

## Before and After School Care

The successful tender is The Rainbow Childrens Centre Inc from East Ballina. There are some management and organisational things to be completed. We hope to see the program start in term 3.

## Keep coughing kids home and see your GP.

The Department of Education has requested this be placed in all school newsletters: Whooping cough (also

called pertussis) began increasing across NSW towards the end of 2018, especially in children between the ages of 5 and 14 years. NSW Health anticipates that this increase will continue into 2019. School-aged children who are infected with whooping cough usually experience a troubling cough that can persist for months, but they rarely get severe illness. However they can spread the infection to younger siblings and other more vulnerable people, who are at higher risk of severe disease. Whooping cough can be a life threatening infection in babies.

For more information on Whooping Cough and vaccination, visit the NSW Health Website <https://www.health.nsw.gov.au/Infectious/whoopingcough/Pages/default.aspx>

## Triple P Course

Triple P is an approach to parenting that emphasises the positive. It aims to equip parents with the skills and confidence that may be needed to prevent problems before they arise and help children reach their full potential.

If you are interested in participating in a small group Triple P course (6 x 2 ½ hours and one telephone session) please contact The Family Centre on (07) 55248711.
