

Teven-Tintenbar Public School

Term 3 Week 4 - Monday 12th August 2019

Country Fair

Thank you to everyone who came to enjoy the Country Fair. Many of our parents/grandparents/families worked their magic on Friday afternoon and early Saturday morning setting up for the day. There were so many families who helped out in many ways. We had many of our past families visit us on the day, it was great to see them still being part of our school community. The P&C will give us a final account of what was raised sometime soon. We look forward to hearing the results of the survey completed by parents on what they feel funds can be used for. Thank you everyone, it was a fantastic day.

District Athletics

As always, our children performed to the best of their ability and were the best behaved group on the day. Results have been filtering through from parents. We do not have the official results yet. We will post these on our Facebook page as soon as we have them and print them in next week's newsletter.

Stage 3 trip to Canberra

We will soon be sending home a packing list for camp. One thing that will not be on the list is any technology. This includes ipads, iphones, ipods and anything similar. We want our children to be engaged in the daily activities. Staff will be taking photos during the excursions and these photos will be available to all students later. Pack lists will be sent out by Ms Talbot closer to the trip.

School Fees

Invoices for unpaid school fees will be sent out soon. The total price for the entire year is \$100. This covers the students access onto licence programs used in class such as Mathletics and Reading Eggs and other resources used here in their classroom. Within this fee is the \$50 Voluntary donation which goes towards library books and replacing computer equipment when necessary. We would be very grateful if these invoices could please be settled as soon as possible.
