### Is my child too sick for school?

We would like to thank parents who are keeping children home when they are showing signs of having a bad cold or influenza. By keeping children home when they may be contagious is the only way we can stop the spread of colds or influenza.

We have sent home some advice from the Australian Government Health site with students today.

### NAPLAN results

We are expecting NAPLAN results for Years 3 and 5 later this week. As soon as they arrive, they will be sent home in the sealed envelopes they arrive in. We will post on our Facebook page on the date we send them home so parents know to expect them. If you have any questions about reading your child's results, please contact Mrs Latta.

## Attendance at School

Legally, students between the ages of six and fifteen to attend school on each day that instruction is provided. It is the duty of the parent or carer of the student to ensure that these obligations are fulfilled. From term 4 2019, our school will not be approving leave to attend dance, gymnastics, cheer leading, music or singing lessons that require an early leave or late arrival. (unless the student is involved with a registered elite sports/entertainment industry program) Likewise, early leavers or late arrivals must be for valid reasons. The only late/early leave that will be approved is for a medical appointment with a specialist (The name of the specialist must be included in the early/late book), a legitimate family emergency or other reason that has been approved by the principal. If absences are for any other reason, the matter may be referred to the Home School Liaison Officer. Children who are sick at school and are collected by an adult will be signed out through the sickbay.

## Premier's Sporting Challenge Leadership Day

All of our Year 6 students have been invited to take part in a sporting leadership day run by Ballina Coast High School, to be held at Southern Cross PS, on Thursday. Notes were handed out last week and are due in before school TOMORROW Tuesday 17th September. The bus company has altered our pick up time to 9am, however students will still need to make arrangements to get to school before their usual bus.
