

## Teven-Tintenbar Public School

Term 1 Week 3 - Monday 10th February 2020

### Swimming Carnival

Even though rain is forecast for the week, our swimming carnival will be going ahead as planned this Wednesday, 12th. Headlands District Swimming Carnival is Next Thursday 20<sup>th</sup> of February and there are no alternative dates available before then. Students are undercover when they are spectating from the stands, so should remain dry in between their races, but packing some warm clothing or even a waterproof jacket would be a great idea. We are all looking forward to seeing some great racing, in amongst the rain and having as many students as possible qualify for the district carnival.

### Parking

When parking in Hillcrest Drive please avoid doing a U-turn near the grass walkway that leads to the school. It is much safer for our students and their families if cars would do a full loop of Hillcrest Drive.

### Before school drop offs

A reminder that under no circumstances should children be onsite **before 9am** unless in the direct supervision of their parent. Unfortunately we have had students outside the office before this time. Students who are here before 9am will receive a reminder note to take home to parents. Our school offers before and after school care. Contact Rainbow on 6686 6621 if earlier than 9am drop off is needed.

### School Fees Invoices

Invoices were sent home today for voluntary contributions and school fees. School fees in this invoice are for the entire year and cover the cost of Mathletics, Reading Eggs (or Reading Express) and Origo maths. Voluntary contributions made by parents are important to our school as they allow us to purchase extra learning tools for our children. We appreciate your prompt payment of both of these.

### Week 3

Noah, Harley and Cooper are hard at work in the 4/5 M classroom as they start literacy rotations.

## Seasons for Growth Program

### Learning to live with change and loss

Change and loss are issues that affect all of us at some stage in our lives. At Teven-Tintenbar Public we recognise that when changes occur in families through death, separation, divorce and related circumstances, young people may benefit from learning how to manage these changes effectively. We are therefore offering a very successful education program called *Seasons for Growth* which will commence in Week 4 to week 11 of this term. This program is facilitated in small groups and is based on research which highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The program focuses on issues such as self-esteem, managing feelings, problem-solving, decision-making, effective communication and support networks.

This Program is offered for **stages 1 -3**, If you think your son or daughter would benefit from *Seasons for Growth* we would encourage you to talk to him/her about participating in the program and fill in the slip provided. Miss Slingsby will then contact you to further discuss the program and suitability for your child.

If you require further information please contact Miss Slingsby.
